Continuation of 5. does NOT place the application in condition for allowance because: Applicant's argument that APA and Kalagidis can not be combined is not whether the features of one reference may be bodily incorporated into the other to produce the claimed subject matter but simply what the combination of references make obvious to one of ordinary skill in the pertinent art (In re Bozek). As disclosed in the final office action, Kalagidris discloses in the abstract and as shown in figures 1 and 7, that the electrical parts mounting base board (commutator) is of flat disk shaped and further fixed on the rotational shaft.
